

Kindergarten News

November 2009

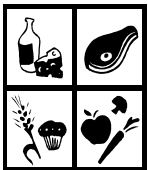

The Kindergarten Grocery Store

This month our housekeeping areas are turning into grocery stores. Please help stock the shelves by sending in canned and non-perishable foods. We will donate these items to a local food bank in December.

Topics we will study:

This month we will learn about families, Fall, nutrition, American symbols, and Thanksgiving. In math, we will work on patterns.

Please encourage your child to find patterns in nature and at home.

Conferences

We will be having conferences on November 5th. Please make sure to be on time so we do not keep other parents waiting.

At this point in Kindergarten, students should be learning how to zip their coats and to tie their shoes. Please have your child practice these skills at home.

Homework and Library Reminders:

Please complete homework with a pencil. Also, please send library books back each week.

Request from Mrs. Gaume

Our Computer Lab teacher has asked that parents work with their Kindergarten children at home on typing first and last names on the computer.

Dates to Remember:

November 5 – No Kindergarten/
Parent Conferences

November 6 – Apple Day

November 11 – No School

November 19 – Border's Story time
