

# 5th Grade Newsletter

## Happy Autumn

October 2009

### Overnight Field Trips

All three 5th grade overnight trips were wonderful. The students enjoyed themselves and learned a lot of useful information about our environment. Students also gained knowledge on things they should and shouldn't do to be good stewards to our environment.

Thanks to all of the parent chaperones for joining in our fun, we couldn't have done it without you!

### Study Hall

There has been an increase in the number of students that are being sent to study hall during recess. This is due to the fact that many students are not completing and bringing homework assignments to class. Please be sure to check you child's homework each night to ensure that they are getting homework completed.
