

PAC SURVEY

Thank you for taking the time to fill out this Parent Advisory Committee (PAC) survey. Each school has 2 PAC representatives who are designated by the Principal to attend PAC meetings. The PAC meets 3 times a year with the Superintendent and his designees to learn new information and discuss systemic issues parents have about their schools or the county. Systemic issues relate to curriculum, the school building, lunches, homework policies, etc. but not to problems about specific teachers or students. Those questions will be addressed to Mr. Stup. These meetings are a great opportunity to get questions or concerns addressed and have a part in the home/school connection. Last year's questions and answers can be found at the school's website under Parent/Student Information:

Contact Amy Warren with any questions: (301) 885-0847 or hpwarren@aol.com.

Please return this survey to the school PTO.
