

Higdon Supply List for 2009-10

It would be very helpful if each student had a dictionary and a thesaurus to use only at home. Do not purchase these for school.

Please remember that your child will need supplies at home. We understand how much the children love book bags with wheels. However, they don't fit in the lockers, which causes a problem in the classroom and on our buses. If possible, we prefer other types of book bags.

This list represents what the students need to get started for the school and consumable items like paper and pencils need to be replaced as needed. Do not buy items like college ruled paper or mechanical pencils. Do not buy trapper keepers.
