<p>1 Fall back today because Daylight Standard Time resumes. Set all your clocks and watches back one hour.</p> 	<p>2 Take a walk in a park or the woods and notice the seasonal changes. Which animals are gathering food and storing it up for winter?</p>  	<p>3 In 1762, the Earl of Sandwich created a simple-to-eat meal by putting meat between two pieces of bread. What do we call this lunch staple today?</p> 	<p>4 Share an old family recipe with your children. Ask them to double the recipe, then cut it in half.</p>  	<p>5 Protect your children online by talking about cyber safety. Set up parental controls and remind them not to give personal information online.</p> 	<p>6 Play alphabet search: one person finds an object that begins with an "a," the next person searches for a "b" object, and so on.</p> 	<p>7 Watch your favorite family movie and write an alternate ending.</p> 
<p>8 Start a family book club. Pick a book that appeals to all ages. Prepare discussion questions while you read and schedule a Book Club Night in a few weeks.</p> 	<p>9 From baby teeth to orthodontic braces, healthy teeth is all about what goes on inside your mouth. Brush and floss your teeth after each meal.</p> 	<p>10 Tell a parent or friend one new thing that you learned today.</p> 	<p>11 Veteran's Day honors men and women who have served in the military. What are the ranks of office in the U.S. military?</p> 	<p>12 Make up your own country. Design its size, shape, name, location, and a country flag.</p> 	<p>13 Give your children some grown-up responsibilities for the night. Have them cook dinner, clean up, and read to you before bed.</p> 	<p>14 Go to the library and pick out a new book to read together.</p> 
<p>15 This is National Recycle Day. The average family throws away 1,570 lbs of trash each year. How can your family recycle?</p> 	<p>16 Celebrate American Education Week by talking with your children's teachers.</p> 	<p>17 Do you remember your favorite teacher? Talk to your children about your best memories of school. What did you like? What challenged you?</p> 	<p>18 Find out what books your child will read in school this year and read them yourself. Talk about your favorite childhood book.</p> 	<p>19 On this day in 1863, the Gettysburg Address was delivered. Learn about the address and Abraham Lincoln's role.</p> 	<p>20 Finish these sentences: I can ... I have ... I am ... Share your answers around the dinner table.</p> 	<p>21 Learn how to say "hello" in as many languages as you can for World Hello Day.</p> 
<p>22 Go to the grocery store to purchase items for your Thanksgiving meal. Talk about prices and choose the most economical items.</p> 	<p>23 A goal is something that you want to do. Write down 2 goals that you want to accomplish by Saturday.</p> 	<p>24 Write down your favorite Thanksgiving memories. Share them on Thanksgiving Day.</p>  	<p>25 As it gets colder outside, make sure your children maintain their physical activity. Develop an exercise routine and work out together.</p> 	<p>26 The first Thanksgiving was celebrated by the Pilgrims and American Indians in 1621. The feast lasted three days. Why did they celebrate? Why do we celebrate?</p> 	<p>27 Practice math skills together. Balance a checkbook and learn the importance of "down to the penny."</p> 	<p>28 Goal Check! Did you make it happen since Monday? If you did, good for you. If you did not, how can you make it happen?</p>
<p>29 A child views about 25 acts of violence each day on television. What are some ways to solve problems without violence?</p> 	<p>30 Family Book Club discussion night! Review your questions; talk about the book's characters, setting, and events. Then watch a movie version of the book.</p> 					<p>Some content taken from Baltimore County Public Schools website</p>
