## *Principal's Message*

*Welcome to the 2008-2009 school year! Our school is alive with excitement for learning.*

*All of our students and teachers have worked together to build classroom environments that support respect, honor, and responsibility.*

*We have begun a school-wide goal of becoming a "green school." We are learning about the benefits of recycling and reusing things instead of throwing them away.*

*It is going to be a fantastic school year.*

## Responsibility

During the month of September, we will focus on "Responsibility" as the character trait of the month. Parent's, please encourage your children to show responsibility by keeping their work spaces tidy, completing all homework, being considerate of others' feelings and resolving conflicts peacefully. Remind them of the importance of being responsible at home, at school and in the community.
