Principal's Message

Mattawoman Middle School has begun the 2009-2010 school year with a great start toward academic success for all students. I want to thank all the students, teachers, and parents that have welcomed me to the Mattawoman community. The students have really come back to school ready to succeed.

Teachers are sending home biweekly progress reports via email. This communication should allow parents to have a better understanding of what their child is doing in the classroom. If you have any questions regarding the progress reports we ask that you send a separate email to teachers. This will ensure that teacher's email accounts do not fill up with the large grade attachments.

In September we elected our new board for the Parent Teacher Student Organization. The following people are the officers for the 2009-2010 school year: **President** — Mrs. Teresa Nunn, **Vice President**—Mrs. Fatima Salaam, **Treasurer**—Mrs. Rose Roy and **Secretary**—Mrs. Frances Hodge. We are looking forward to a very productive year. The October meeting will take place on October 15th at 6:30 p.m. in the Mattawoman cafeteria. Student pictures are taking place on October 6th and 7th through your child's P.E. class.

The support from parents is greatly appreciated. Please continue to check your child's agenda book for assignments and review their progress reports every two weeks. If you have any questions or concerns regarding your child's grades please contact your child's teacher. I look forward to working with all of you this school year. Working together with the teachers and students we can bring about a successful year here at Mattawoman Middle School.

Sincerely,

Douglass M. Dolan, Principal
