

August 24, 2009
Students and Parents,

Maurice J. McDonough High School will provide activity bus transportation to students who are participating in *school sponsored activities* that take place after the regular dismissal bell. Students who are eligible to ride the after-school activity bus must have a consent form completed and returned to the main office before the student can ride the bus. Transportation routes are attached to this letter and will be posted on the school website.

The after-school activity bus will be utilized Monday through Thursday when school is in session. Buses will run periodically on Fridays as requested by the athletic director and sponsors. There will be two departure times from McDonough; 4:15 PM and 6:00 PM. Students must be supervised at all times after-school and coaches/sponsors will admit each student onto their bus.

Transportation for after-school activities is a privilege and not a right and this privilege can be withdrawn from a student at any time if the student fails to follow all transportation rules and regulations. Please refer to the Student/Parent Handbook for Pupil Transportation. The program is being provided for the convenience of students and may be discontinued at any time by Charles County Public Schools.

If you have any questions or concerns throughout the school year about the after-school activity bus, please contact Mr. Gladfelter, Bus Coordinator, at 301-934-2944 extension 155011 or 301-753-1755 extension 155011. Thank you in advance for your cooperation and may we have a great school year.

Sincerely,

Mark Gladfelter
Bus Coordinator
