

## PTO

What is PTO? It is an organization that is made up of Parents and Teachers.

This organization works for the benefit of the school. It encourages parent involvement in the lives of our children. What better way to show your child(ren) you care? Get involved! Make a difference!

The PTO undertakes many events with the intent of involving your children in extra activities. Some examples include: Movie nights, Fall carnival, Santa's Secret Shop, Pizza sales. The funds that are raised from these events go towards items that are not included in the school's operating budget. Some examples include: new chairs for assemblies and programs, the sign out front, special assemblies.

The membership cost is \$5.00 per family and can be paid via check payable to AMES PTO. Please fill out the following, attach your check, and have your child give it to his/her teacher.
