Dear Parents:

All students who participate in interscholastic sport programs are required to have medical insurance coverage prior to admission and for the duration of all programs. This requirement can be met through participation in either a family health insurance plan or Charles County Public Schools' approved student accident insurance plan.

For SY 08-09, Charles County Public Schools has approved a student accident insurance plan underwritten by United HealthCare Insurance Company, Administered by United HealthCare Student Resources. The rates are as follows:

**2008 Student Accident Insurance by United Healthcare Student Resources**

	<b>Low option</b>	<b>Middle option</b>	<b>High Option</b>
<b>Football</b>			
With extended dental	\$92.00	\$157.00	\$222.00
Without extended dental	\$85.00	\$150.00	\$215.00
<b>24-hour Accident</b>

**\* Football insurance only covers a student for varsity football injuries.**

If you wish to purchase this insurance, please pick up a form from your athletic director, the school secretary or go to [www.k12studentinsurance.com](http://www.k12studentinsurance.com). The school will not collect enrollment applications from the students. The coverage provided by this plan is not intended to replace a primary health insurance plan. It should be considered a supplement to their health and accident insurance coverage. Coverage under the football plan begins on the date the premium is received and ends on the last day of the football season.

**STUDENTS MAY NOT PRACTICE OR PLAY INTERSCHOLASTIC SPORTS UNTIL A VERIFICATION FORM IS RETURNED TO THE SCHOOL.**

If you have any questions, please contact me at (301) 934-7275 or you may contact Student Insurance main customer service number directly 1-866-313-4512.
