# Summer Math 2008

Directions for accessing J. P. Ryon's summer math activities:

1. Log into any computer with access to the internet (including [P.D. Brown Public Library](http://www.pdbrownpubliclibrary.com)-301-645-2864).
2. In the URL type: [www.ccboe.com/ryon](http://www.ccboe.com/ryon)
3. On the main page click "Summer Math Activities".
4. Select the grade level you are moving into next school year.
5. Begin by picking any of the games on the page. Once you have played each game for the required amount of time, please write the name of the game and have you parent or guardian initial the sign-off sheet.
6. Students may only play games one time for credit, but as many times as they want for additional practice fun!
7. NOTE: Additional copies of directions and sign-off sheets are saved on the website as PDF's.

## 1<sup>st</sup> & 2<sup>nd</sup> Grade

Skill Practiced	Time Required (minutes)	Game Name	Guardian Initials
Addition	10		
Addition	10		
Subtraction	10		
Subtraction	10		
Time	10		
Time	10		
Measurement	10		
Measurement	10		
Money	10
