

Summer Reading Suggestions for Students with MTM Placement (8th)

Getting extra credit for your first quarter in language arts is a cinch! Just follow these steps:

- Read a great book worth raving about over the summer
- Complete a Reading Rave brochure
- Bring it in and share your rave with others

Note to Parents: General Smallwood is a firm believer in getting kids hooked on reading by offering them a variety of choices! Parental guidance is invaluable in helping your child choose a book that will engage his/her interests.
