

CHARLES COUNTY PUBLIC SCHOOLS

ACTIVITY BUS CONSENT FORM

Charles County Public Schools (CCPS) will provide activity bus transportation to eligible high school students for the 2009-10 school year. The buses leaving CCPS high schools are for the express use of those students participating in high school sponsored activities which take place after the regular dismissal bell.

This transportation shall be routed in such a manner as to serve as many of the students as possible and yet serve areas of the highest student population participating in after school activities. Students living in rural areas should make arrangements to be picked up from central locations along the established route. Bus stops on the attached route sheets which are highlighted and with an asterisk are ones in which a parent or designated person must be at the stop to pick up the student prior to the arrival of the bus.

This service is not to be considered a means by which all students who participate in after school activities are provided a way to their home, but should be considered as an attempt to provide transportation to central locations from which parents may either pick up their children or choose to have their children walk home.

Students may only utilize this service on days when there is an after school activity in which they are scheduled to participate. Names of all eligible students who have a consent form on file will be noted on a check-in log. Students without a consent form on file and not on the appropriate check-in log may not ride the bus unless the administrator has given the express approval directly to the bus driver.

Transportation for extended day activities is a privilege and not a right, and this privilege can be withdrawn from a student at any time if the student fails to follow all transportation rules and regulations. Please refer to the Student /Parent Handbook for Pupil Transportation. This program, provided for the convenience of students, may be discontinued at any time by CCPS. Completed forms should be returned to the school main office as soon as possible.

THOMAS STONE ACTIVITY BUS HOTLINE 301-934 – 7452 (3:30 – 7:15 PM)

I give permission for my child to ride the high school activity bus. I understand that:

- This service is being provided for my child's convenience and is a privilege, not a right.
- This privilege may be withdrawn and/or the service discontinued at any time at the sole discretion of CCPS.
- CCPS transportation rules and regulations apply, and my child will be expected to follow these rules and regulations and any other direction of CCPS coaches, activity sponsors, administrators, and bus drivers.
- The activity bus stops, as determined by CCPS, will not necessarily be located at or near my house or neighborhood, and I accept full responsibility for my child when he or she is dropped off at a CCPS approved bus stop.
