

# Return to School

Summer 2021 and Fall 2021

# Summer Programs

(July 6 – August 5, Monday through Thursday)

- **Summer School, Middle & High School (Completely virtual)**
  - Held at each high school
  - Two sessions per day, one course permitted per session, per student
  - APEX curriculum
  - Mandatory synchronous Zoom sessions
  - Asynchronous work, quizzes, tests, etc.
- **Summer Boost, Elementary & Middle School (in-person, w/transportation)**
  - Held at eight locations; \*MS = virtual w/transport to HS internet cafes as needed
  - ½ day sessions daily; \*International Boost (elementary) provided via Zoom
  - Special Education Boost, in-person, three locations
  - Various other camps: Enrichment, AP, CTE, Nanjemoy Creek, Science Center

# Summer Transportation

## Bus service provided for:

- Dr. Mudd Summer Camp: **1 bus (41 students)**
- Elementary Summer Boost (8 magnet ES sites): **37 buses (868 students)**
- Secondary Summer Boost Internet Café access (All HS sites except NPHS): **10 buses (206 students)**
- NPHS CTE Summer Camp (Two different sessions): Week 1- **8 buses (94 students)**  
Week 2- **8 buses (87 students)**
- In-County Special Education Programs (SPED Boost, ESY, Camp Co-op, AIP Jobs Program): **37 buses (327 students)**
- Non-Public Special Education Programs (Annandale, Baltimore City, Annapolis, Largo, Lanham, Silver Spring, Hyattsville): **10 buses (34 students)**

**TOTAL: 1,657 students (Reg: 1,296; SPED: 361)**

# Health Partnerships & Testing Program

- Partnership with the Charles County Health Department
  - Allowed North Point High School to serve as a vaccination site for the public
- Student COVID testing (this **Summer**)
  - Five schools partnered with eTrueNorth Laboratory Solutions, to conduct voluntary PCR testing for students twice weekly: Higdon, Middleton, Somers, Lackey, St. Charles
- Student COVID testing (this **Fall**)
  - All seven high schools will partner with eTrueNorth Laboratory Solutions, to provide weekly testing for registered students (mandatory for non-vaccinated athletes, voluntary for all other students)

COVID-19  
TESTING

# Building Preparation

- **Summer and Fall Cleaning**

- Each facility is thoroughly cleaned from top to bottom and will be inspected prior to the first day of school
- Touchpoints and surfaces cleaned many times daily
- Restrooms thoroughly cleaned nightly with periodic cleaning during the day

- **Disinfectant Information**

- Benefect (green EcoLogo Certified disinfectant) used in all facilities
- Alcohol based hand sanitizer readily
- Dispenser stands and wall mounts located in all common areas and classrooms
- Fogging facilities occurs as needed

- **Other preventative measures include**

- Placing paper towels and Virex spray (hospital grade disinfectant) in each classroom
- Ensuring exhaust fans in restrooms, kitchens, and locker rooms are operational
- Flushing waterlines
- Scheduling air filter changes
- Identifying schools for future HVAC replacement/upgrades

# Health/Safety Protocols

- Continued implementation of Standard Operating Procedures (SOP) to include:
  - **Mask-wearing:** required by **all** students, staff and visitors in all CCPS facilities
    - 75k masks sent to schools; 64k surgical masks & 11k medical grade masks provided for staff
  - **Physical distancing:** maximized as much as possible
  - **PPE:** available at all schools
  - **Diagnostic testing:** (rapid and PCR) available at all schools
  - **Pre-screening:** required to be administered by parents daily
  - **Possible COVID indicator:** one symptom equals exclusion that day plus 48 hours
  - **Contact tracing:** commences immediately upon receipt of positive case
  - **Community notifications:** provided to individual community/updated on website

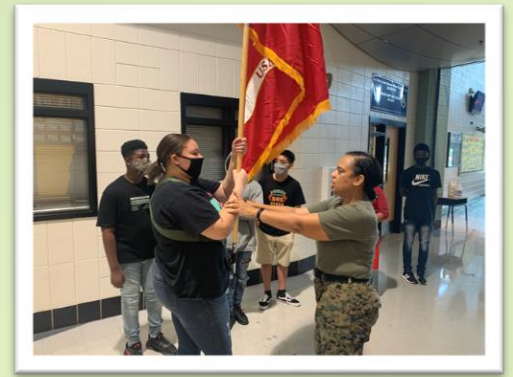

# Fall Transportation

- **Bus service protocols:**

- Drivers, attendants, and students must wear a mask while on the bus
- No seating limitations
- Capacity: Dependent of the size of the bus and the demands of the bus route
- Bus contractors were provided with clear and explicit sanitation procedures for drivers to follow
- Transportation provides cleaning solution for all buses along with clear sanitization procedures for staff
- Families using **regular transportation** can update daycare addresses or make inquiries using the Transportation Help Ticket portal on the website
- Families requiring **special transportation** can provide updates through the Special Education Department

# Return to In-Person Learning

- **Attendance Protocols and Instructional Preparation**

- All students returning, five days a week unless already enrolled in the Virtual Academy Expansion program, grades 9-12
- Professional Learning took place over the summer to enhance teacher pedagogy in how to address students with learning deficits
- Diagnostic Assessments will be administered to students in September to determine if and where gaps in learning exist
- Professional Development on data driven instruction scheduled for teachers throughout the fall and winter
- Instructional scope and sequences have been adjusted to accommodate skills and strategies not fully addressed due to the pandemic closures
- Teachers will continue to meet collaboratively in their buildings to share successful strategies and brainstorm solutions to instructional challenges

# Return to In-Person

cont'd

- **Athletics 2021**

- Online student athletic registration for fall 2021 sports began in May 2021
- Summer workouts for all sport seasons began June 21, 2021, outside only until Governor and Health Department lifted indoor restrictions (July 1)
- Fall sports official practices begin on August 11
- Current CCPS eligibility policy (#6431) suspended; following MPSSAA COMAR regulations through first quarter
- Eligibility policy #6431 suspension concludes at the end of the first marking period, with Board approval
- When games begin, students are expected to ride on the school transportation, where face coverings are required of all bus passengers

# Return to In-person

cont'd
