

Page #	Possible Changes – Cell Phones/Electronic Devices	Reason
	Consistency in expectations in the classroom between classrooms and between schools. Set standards that are enforced.	
	"All or none" with Cell Phones.	
	*Need-classroom management training/professional development for: -engaging students how to use cell phones for instruction -engaging students how to NOT use cell phones in class.	
	Consistency in consequences is needed. Eliminate cell phones-anything that can be done on a cell phone can also be done on an iPad or laptop.	
10	Cell phones must not be visible [we don't like the work 'visible', but could not come to a consensus].	
ADD	"At BYOD-approved schools, cell phones shall not be used during the school day unless it is for educational purposes as directed by the classroom teacher or administrator."	
10	"Upon the first offense the student shall be warned; the student's parent or guardian shall be notified." [remove that the phone be confiscated] 1 <sup>st</sup> offense=warning 2 <sup>nd</sup> offense=the phone will be confiscated.	
16	Class cutting-remove this whole policy!! Two or more unexcused absences during a marking period will not receive higher than 59%	
10	Some verbiage relating to BYOD in the code.	
	Cell phones NOT allowed on bus for elementary by permission	Social Bullying
	Spirit to avoid inappropriate use	
	Consistency from school to school	
	BYOD what happens when a student is unable to provide a device?	This brings on more bullying.
9	Students may not use cell phones or Bluetooth connected smart devices on school property before, during or after school.	Streamline into and add smart devices connected to phone via Bluetooth.

9	Images or videos must not be used to transmit image or video to devices or social media at any time.	Admin feedback noted problems that arise requiring discipline often start with transmission of images or videos.
9	Cell phone use is permitted as follows: 1-Elementary school students MAY NOT possess or use a cell phone on school property during school hours. Exceptions may be made by school administration on a case-by-case basis. 2-Middle school students MAY possess a cell phone on school property as long as the cell phone is powered off and stored in the student's locker. 3-High school students MAY possess a cell phone on school property during designated times in accordance with the school's posted policy.	Allow for continuity with individuality, protect autonomy of school leadership and facilitation of school community/culture.
	Portland Dress Code-Add a caveat about tops having sleeves. Otherwise, I recommend that we adopt this policy!	This would prevent allowing tube-tops.
9	Cell Phone-Middle School-take out "Stored in locker"	-Kids fear that phone will be stolen -They want to have phone on them. -They share locker combos. Ensure phone is powered off.
9	Middle school- ADD... "At the discretion of coach or sponsor"	-Some events are appropriate for phone use; allow adult leader to make decisions.
10	Add to all school levels "At no time will permission for cell phone possession or use be granted for socializing."	Add this to header/intro for all school levels.
	Cell phone- Add consequences for recording fights and also for posting/sharing videos	*Posting on social media should result in a more severe consequence.
	Eliminate yellow zone. Keep green and red zone.	*Everyone usually has phone in pocket-It is ready when allowed. Keep only green-use allowed. Keep only red-use not allowed.
	Phone time lunch at high school-green zone.	
Cell Phone	High School- Green zone during lunch	Allow an opportunity to use phone during non-instruction.
	No phone in hallways, keep as a Red Zone.	Slows down transitions.
	Add more training and reinforcement to 9 <sup>th</sup> and 10 <sup>th</sup> students.	Begin early and often
	Add calculator holders and/or pocket charts for classrooms to store phones.	Safely store the phones.
	Develop a more severe set of consequences for testing violations.	Major violation and/or disruption.

	Minimum consequences of Saturday school.	
	Add smartwatches and AirPods to testing paragraph on P.10	
9/10	Adding language about the use of smartwatches and other devices that connect to phones/electronics.	Students can access apps and other media via compatible devices that aren't directly covered in the <i>Code of Student Conduct</i> .
	Have we looked at a good county-wide Digital Citizenship program like Common Sense across the county?	
10	Match language on offense to matrix.	Does not match.
	*Consider looking @grants to change BYOD schools to 1:1 to help with the "can't put it back" program.	
	**Direct consequences of use of cell phones during instruction is poor performance on assessments and assignments-leads to lower grades. (This doesn't need to be added, but something to consider and maybe a warning label could be included.)	
9	Middle school students may possess cell phones after school. (except if staying for educational purposes)	
	BYOD-Should be countywide (high and middle)	Standard rules same for all schools with BYOD
	Camera/video use maybe used after school activates when allowed.	
	Fine with elementary except with while attending, not participating in an activity. Middle School—Same question?	
	Possibly combine Middle and High School (?)	
	Concern about phones on bus if they cannot be heard.	
	Consistency between policy and teacher actions
