

LEVELS OF RESPONSE CHANGES

- Include transportation violations/consequences in this section, no need to be separate
- Include all cell phone/personal electronic device violations/consequences under “Inappropriate Use of Personal Electronics” (see the “Key” for changes)
- Extend response level of “Camera/Video/Audio Misuse” to Level 5
- Adjust the first sub-section of the “False Alarm/Bomb Threat” category to read as follows: Initiating a warning of a fire or other catastrophe without cause (e.g., pulling a fire alarm, misusing 911, or posting/sharing texts or social media messages that incite fear or cause a disruption to school activities)
