

Charles County Public Schools

Summer *Virtual* Learning Launch
 Family Engagement *Workshop Wednesdays*

Charles County Public Schools will offer virtual family engagement workshops for families who reside in Charles County with a child that is 3, 4, or 5 years old. Please view the schedule below and click on the link to register for the workshops you are interested in attending. All workshops are designed for the parent and child to participate together. Registered participants will receive a link to join the workshop as well as information on picking up a material bag. Each workshop will last approximately 40 minutes.

Space is limited for each workshop.
